

Mary Gordon Roberts MBB Summer Fellowship Acceptance Form 2023

Student Information:

Legal Name:

Project Title:

Award Amount:

HUID:

Preferred Email:

Summer Address:

Fellowship Conditions:

- MBB funding is to be used specifically for the project in your CARAT application.
- Appropriate animal training or human subject approvals must be received prior to beginning thesis research.
- Acknowledge MBB in your thesis and any related publications and presentations.
- When asked, present your research and share your interdisciplinary experience with an MBB audience.
- Submit a mid-summer report by July 15th and an end-of-summer report by August 15th. Both reports must be signed by your advisor, and the final report must include a pdf of a poster reporting on your summer work.
- For condition details see the guidelines webpage; contact Program Coordinator Shawn Harriman (shawn_harriman@harvard.edu) if you have any questions.

I understand the requirements of this fellowship and agree to supervise the above student under those conditions :
